

# VERONA TRIPLE NAIL TABLE INSTALLATION

## Step 1 : Take the left draw out.

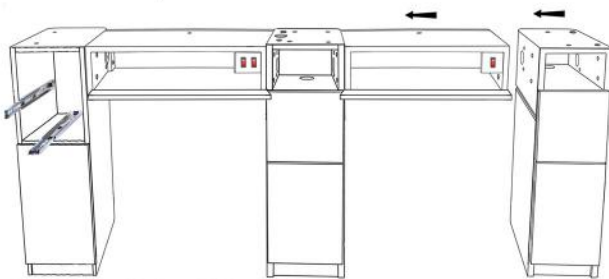

## Step 2 : Install the wheels.

- Turn the base of the cabinets upside down.
- Insert the wheels into the wheels base.
- Put the wood piece in the middle slot of the wheels, then tap with a hammer lightly until you can hear a "click".

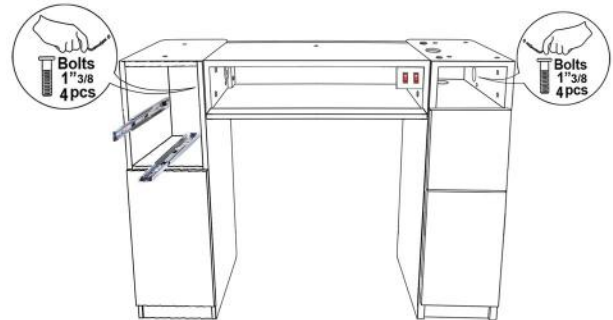

## Step 3 : Install the middle portion.

- Line up holes from left leg to the middle portion.
- Put left tabletop in the middle to make sure it fit with two side table body.

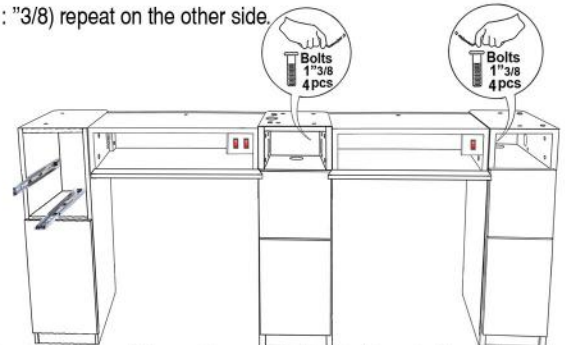

## Step 4 : Install the middle tabletop.

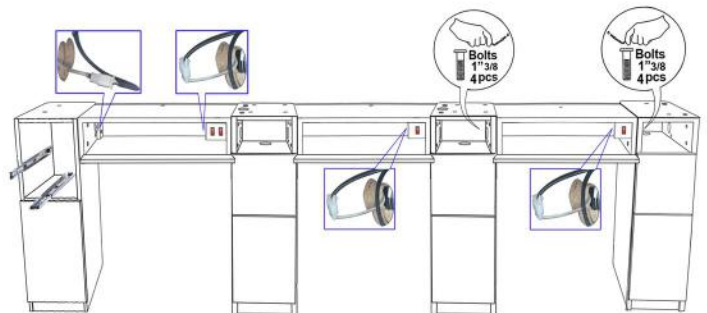

- Repeat step 3 until all middle portions are bolted to the outside cabinets.

- Install the 4 bolts from inside the wall of the table to the 2 sides to the left tabletop (bolts of 1: "3/8) repeat on the other side.

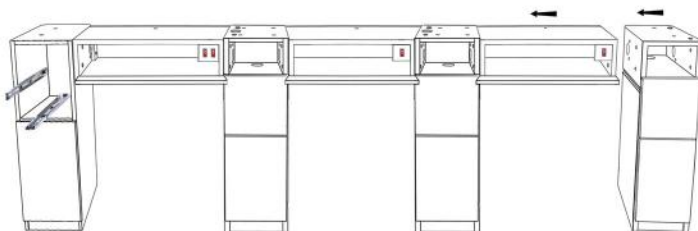

- Repeat step 3 until all middle portions are bolted to the outside cabinets.

- Repeat step 3 until all middle portions are bolted to the outside cabinets.

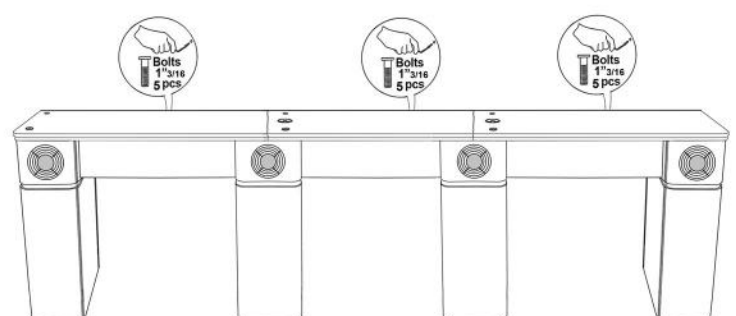

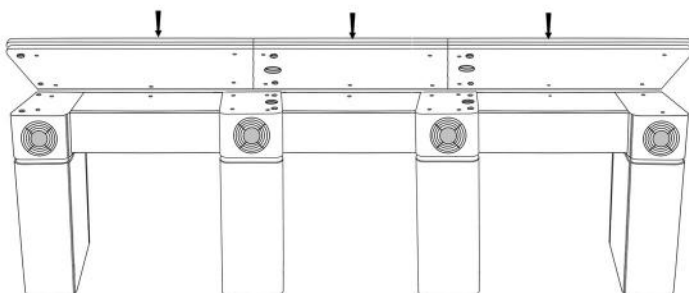

## Step 5 : Install the right tabletop.

- Repeat step 3 until all middle portions are bolted to the outside cabinets.

## Step 6 : Install the Granite on top.

- Place Granite piece on top of the nail table- lining up holes.

- Install the bolt from inside of the tabletop to the granite base with 5 pcs of (bolts 1: "3/6) for each granite top.
