

Exhaust vent - Cut Sheet

The exhaust hole is “pre Scored” on the inside.

(All measurements are approximate as they are all taken from the inside of the table)

Top of table inside to scored hole - 1”

Front of table inside to scored hole - 5 ½”

Back of table inside to scored hole - 6 ¾”

Floor up to scored hole – 25 ½”

Piping dimension – 2 ¼”

Hope this is the correct information needed.

Red Circle – Scored on the inside

Blue Circle – Not on the Manicure table with exhaust.
