gravity - total relaxation!

S- LOUNGE with Sound Journey Rx

#30131-XX

The Legato Lounge takes body, mind & spiritual rejuvenation to a whole new dimension. This adjustable, zero gravity relaxation lounge cradles your body in the supreme comfort of 3" memory foam. As you experience the waves of sound and music resonating through you like a deeply transformational sound healing massage, your mind is lulled into a deep state of inner peace, clarity and calm. Motorized adjustment operated via hand control.

Three Sound Journey Lounge RX packages are available:

Sound Journey RX - LF Pro

Low-Frequency Sound Package includes a Class D Bluetooth Amplifier with Sub Frequency Adjustment, (2) Tactile Transducers, and Line Level Output Converter for optional headphones. (frequency range without the use of headphones is 10hz-80hz. When used with headphones a full-range sound can be heard)

Sound Journey RX - ReVibe

Pro Sound Package comes with a Class D Bluetooth Amplifier with Sub Frequency Adjustment, (2) Tactile Transducers, (2) Treble Sound Transducer, and Line Level Output Converter for optional headphones. (frequency range without the use of headphones is 10hz-15000hz.)

Sound Journey RX - UVibe

Elite Sound Package comes with a Class D Bluetooth Amplifier with Sub Frequency Adjustment, (4) Tactile Transducers, (2) Treble Sound Transducer, and Line Level Output Converter for optional headphones. (frequency range without the use of headphones is 10hz-15000hz.)

(Optional) Sound Wings

Complete the full-body surround sound experience with a right a left resonating wing around the head section of our loungers. (highly recommended if headphones are not being used. Frequency response 20hz-20,000hz)
